

Would You Like Me To Personally  
Double, Triple, or Even  
*Quadruple Your Income*  
...For **Free?**

From The Desk Of Emma Greyson

Sunshine Coast, QLD

February 2019

Dear Friend,

I'm looking for a freaking awesome client that I **can bring in massive windfalls for.**

If you're that client, **I will personally work with you one-on- one in your business to help you double, triple, or maybe even quadruple your income for the next 12 months.**

**You Pay Nothing Out Of Pocket, Ever.**

Here's why.

**I am leaving the hair and beauty industry.**

You would have heard me ranting many times about the fact that there are so many terrible coaches in the industry that don't know

what the fuck they are actually talking about as they've never actually gone from struggling to profitable, they are still struggling.

Or that they lie about the results their students get or they tell people that their marketing strategy is to just do everything cheap just to get people in.

Most of them are in it for money not to genuinely actually change peoples lives.

I wouldn't feel right leaving the industry and leaving struggling salon owners with the only options of Salon Coaches being ones that lie about their results and end up leading people completely astray.

So what I have decided to do is create a super secret group of **SALON AVENGERS** – a group of women who've been there, who've **DONE** it and who actually understand what it takes, and want to **SAVE the industry**.

And I want **YOU** to be one of them.

The first thing I'm going to do for you is to personally help you create a strategic plan to **bring in immediate money**. I call this my **"Secret Avenger Training Session"**.

There's no charge for this and it only takes about 90 minutes for us to do together.

At the end of this initial planning session **one of these three things will happen:**

1. **You Decide This Isn't For You** – I'm not going to lie. It isn't for everyone. And if, after we discuss this, you decide it's not, no harm, no foul – we'll part friends. I only want Avengers who **REALLY WANT TO BE AVENGERS.**

2. **You love the plan and ask to become an Avenger so I can personally help you execute, maximise, and profit from it ASAP.**

*If that's the case, we'll knock it out of the park ...And that's a promise.*

3. In the unlikely and *unprecedented* event that you feel like you wasted your time, **I will send you \$1,500.00 as payment immediately.** No questions asked. Your time is your most valuable asset you have, and I respect that.

It really *is* that simple and there's no catch.

Think about this.

The “worst” that can happen is you get \$1,500 for “wasting” 90 minutes of your time.

**The best that can happen is we work together one on one to increase sales and profit several times over.**

**That's Why This Is** □

**The Closest Thing To FREE MONEY**

**You'll Ever See.**

Here's how it'll work:

First, we get on the phone one on one (Yep. With ME personally) and go over your current business.

I'll take a look at what you've got, what you're doing, and what you want to achieve going forward.

Once we have those "raw materials", I help you come up with a strategic plan of action to **immediately increase your income dramatically.**

And like I said, there's no charge for this.

## **So Why Would I Offer It?**

I'm leaving the Hair and Beauty industry as I told you before. I want to make sure that the salon owners that are out there still struggling will still have the ability to **change their life**, despite me leaving the industry. I'll know the industry is being left in capable hands, because I've trained them.

We will put a plan in place that will have you creating extra income and changing your lifestyle before you know it.

Assuming **you're happy and you want me to crank out these types of plans for you all the time**, you'll probably want to continue working together long term so I can help you implement them.

If this is the case, I might invite you to become a member of the exclusive and highly secretive **Salon Avengers.**

Look this isn't going to be cheap ...but if you think about it, **it really doesn't "cost" you anything.**

*Why?*

**Because I expect you to do the things I tell you to do – and if you do, I'm confident that over the next 12 months** we can double your entire income ...at *minimum*. It wouldn't be an exaggeration to say I could see you making as much as a 3x increase in your income.

But look. If you don't want to become a **Salon Avenger**, don't worry about it. I honestly don't mind one way or another – this is really my way of "giving back" before I leave the industry for good.

In fact, here's my promise to you:

**You Find Our Conversation To Be  
Incredibly Valuable**

**Or I'll Pay You \$1,500.00 Immediately** □

**To Compensate You For Your Time.**

Now, obviously this is an amazing offer.

Think about it.

I'm personally helping you create a plan to double or triple your income **for you** up front □ *for free* - and *then* letting you pay me later if (*and only if*) you decide to work together long term.

Plus, I'm taking it one BOLD step further by guaranteeing you'll find this free plan immensely valuable - or **I'll pay you \$1,500.00** just for wasting your time.

Just tell me, and it's yours. No questions asked.

## **Who Else Would Do That?**

**NOBODY.** *(I checked)*

But I'm happy to put it on the line like this because **I know that if we spend the time together, you're going to get value.**

**My stuff works, and I know that if we work together, you'll make money.**

Consider this:

I've created a **multi million dollar Salon Coaching business** from the ground up that runs at substantial **profit.**

I've trained people like Caitlyn Menzel from Salon Summit Coaching, to go from about to shut her salon doors and declare bankruptcy, to a highly profitable salon where she didn't need to work in it, so she started coaching salons.

I've trained a number of other salon owners that are now coaching under other businesses, that went from struggle street to successful profitable businesses that aren't reliant on them.

You've seen the testimonials all over my website and social Media.

I'm known for helping people get results and **change their freakin' life!**

Anyway - as you can imagine, I'll get a LOT of interest from this letter.

And that's why I need you to read this next part carefully:

## **This Is NOT For Everybody.**

### **Here's Who I CAN Help:**

I'm VERY picky about who I'll speak with and I've got a strict (but reasonable) set of criteria that needs to be met in order for us to proceed.

Here it is:

#### **1. You have to have a solid business already.**

This means, making money (not near bankruptcy), team in place and an actual premises. You don't need to be making millions or have multiple locations, it just needs to be running smoothly.

You have to know what you are talking about to a certain extent as we are trying to get away from coaches that haven't got a freakin' clue! I'll train you to take it to the next level – but you need to have that base level in place.

#### **2. You have to have a Growth mindset**

You are going to have to do something completely different which is going to mean that you are going to have to learn and you have to want to grow and change and are up for a challenge.

### **3. You need to be the kind of person that doesn't mind jumping up on a stage and talking in front of people.**

If you have a fear of public speaking and you aren't prepared to get over it, then this isn't going to work. If you have a little fear, that's totally normal and I can help you get over it. But part of what you're going to need to do is "put yourself out there" – we're going to spend the next 12 months positioning you as the go-to expert in the industry.

### **4. You have to be ok with having a lot of time free and working from home**

You are going to have flexibility to work when and where you want even if it means travelling the world and working from a beach.

You have to be ok with spending more time with your family because there will be no late nights or weekends work.

You also have to be ok with not needing to do your hair and makeup every single day to go to work.

It's a legit lifestyle change.

### **5. You have to genuinely want to help people and give back to the industry.**

If you are doing this for the money like majority of other coaches out there, you are NOT going to last. You have to WANT to actually help people have a better business and in turn a better life.

**6. You MUST follow directions. (Don't worry, I won't ask you to do anything too weird.)**

After all, if you don't actually implement the stuff I give you, neither one of us will make money.

That's it! Those are all my requirements.

## **Here's What I Want You To Do Next**

If you meet the criteria above and would like to talk to me personally about getting you incredible results, then I'll happily set aside some time for you.

Here's how the process works:

First, you'll need to fill in an application. Don't worry, it's simple and unobtrusive.

I'm also going to ask for a "real person" deposit" of \$750.

Don't worry, I could care less about your \$750.

I'm just using it as a "filter" to keep the time-vampires at bay.

**I'll give it back right after we hang up** (unless I take you as a Salon Avenger - and in that case, I can apply it to your balance.)

## **Here's What Will Happen After That.**

Once I have your "real person" deposit and your application, Jade from my office will call you within 48 business hours and set up a time for us to talk.

Our initial call will be between 60 to 90 minutes.

This is where we really begin working to figure out exactly what you want, how to **make it happen**,

...and **I'll deliver a plan to bring in money immediately.**

If you see the value in becoming a **Salon Avenger**, great! We can talk about it.

And if you don't want to - *that's OK too*. I'll return your deposit as soon as we hang up. No biggie.

And if you tell me I've wasted your time, **I'll give you DOUBLE your deposit back immediately.**

So you literally can't lose.

(By the way - I've *never* had anyone feel like their time was wasted. EVER. That's why I can make this offer. I DELIVER. Would anyone else take such a risk?)

## **WARNING - TIME IS A FACTOR**

This opportunity is extremely limited because of the intense one-on-one time needed in order to provide you with results.

Therefore, it is physically impossible for me to work with more than **10 people**.

Also, you should realise there's a very large demand for personal one-on-one help from me, and **what I'm offering to you is unprecedented.**

So with that said, know that the window of opportunity won't be open long, in fact I'm ONLY offering this for **one week** only starting now or until the **10 places are full**.

[Click here to register](#) your interest so that we can have a conversation ASAP.

Talk soon

Emma

P.S. Please understand this is a one time offer and it will NEVER be repeated.

I am serious when I say that I am leaving the industry. It's a legit 10 people only opportunity.

I'm not going to be offering more places in another few days or anything like that, so I suggest you fill out the above form ASAP!
